BUY LOCAL

✓ Shop ✓ Dine ✓ Services

Shop Local is a Chamber initiative encouraging consumers to shop local and support the Pulaski County business community. There are countless ways businesses can get involved in Somerset-Pulaski County Chamber of Commerce's Shop Local program.

The goal of this program is 100% participation on Chamber retailers in the Buy Local Program.

✓ **WHAT CONSUMERS CAN DO**

Buying local puts your hard-earned dollars to work right here in your community.

✓ **KEEP RECYCLING YOUR DOLLAR**

By choosing to re-circulate your dollars in the Lake Cumberland Region, you play an important role in keeping our regional economy strong, creating jobs and providing vital tax revenue that supports things like road repair, police and fire protection.

✓ **KEEP OUR COMMUNITY STRONG**

When local businesses flourish, they can continue their support of important community projects and charitable organizations.

✓ **KEEP OUR ECONOMY STRONG**

For every one dollar spent locally you can have a positive impact of \$3.00. If we all do that it will have a measurable effect on helping our local economy recover from the recent recession.

✓ **KEEP YOUR NEIGHBORS WORKING**

The Lake Cumberland Region is a robust region, with thousands of companies open for business and eager to assist you—large and small, franchises and locally-owned, you're bound to find what you're looking for.

✓ **BUY LOCAL IS A MINDSET**

You do have a choice and you can make a difference.

Shop Local. Benefit Local.
